Mr. Steve Jaffe
Pacific Palisades, California

Dear Steve;

I am preparing the September issue of the LIGHT. Have story about Burton written, exposing him for what he is. I don't feel it will hurt Mr. Garrison, but will show the lengths the some people will go to do the big "ego" thing. Also putting a big tbing on the ANTI-HOMOSEXUAL behavior of the vast majority of the Garrison investigators. For I feel that the public should know some of the sad sagging on what is an important part of the investigation.

Get this, I have had the offer of a job paying \$80.00 to "help me along". if I would refute the Garrison Investigation. Had had alot of nasties from alot of people on this matter of now coming out for Garrison. Alot of cops here in Long Beach do not like it at all. You remember Wiggins, the one who shot Bill Hunter? Well, he carries a gun all of the time, for he is now, s supervisor of a Protective Agency here in Long Beach. He has heard about me and he is upset to no end. Tell me, how in the hell, can a man who is convicted of manslaughter, using a gun, become the supervisor of a Protective Agency and carries a gun on his person at all times? How in the hell can this happen?

Expecting answer of some kind from you soon. I don't like writing and receiving no answer. That is what I have received from "The Office" also, ZERO reply.

BE GOOD, TAKE CARE, PEACE!

Rev. Ray
